

2022 Summer Camp COVID-19 Health & Safety Protocols

Weil Academy is following CDC Interim Guidance for Camps and CA State Public Health recommendations for keeping our community safe while resuming our summer camps.

Weil will continue to employ all preventative measures to avoid the introduction of Covid-19 within the Weil Community during our Summer Training Camps. We are committed to making our camps a competitive, safe, and fun environment for all our campers to enjoy!

Weil Tennis Academy has the right to restrict attendance of those from high transmission areas or those who it deems may be at high risk of exposure.

Boarding campers

- All campers must be Fully Vaccinated to attend camp as a Boarding Camper. (Meaning it has been at least 14 days since they received their second dose of the Pfizer or Moderna vaccine or single dose of the J&J vaccine)
- All Boarding Campers must take a PCR or Rapid test within 48 hrs. of their check in date and present the Negative results on Sunday upon check in
- Campers will be instructed and reminded to wash their hands frequently and avoid sharing any personal devices and belongings
- Testing can be required at any time if camper is experiencing COVID-19 symptoms
- Fully Vaccinated Parents of Boarding campers will be allowed on campus during training hours but are asked to wear masks when around campers.
- Parents who are not Fully Vaccinated will not be allowed on campus and are asked to drop off their child while remaining in their cars.

Day Campers

- All campers must be Fully Vaccinated to attend camp. (Meaning it has been at least 14 days since they received their second dose of the Pfizer or Moderna vaccine or single dose of the J&J vaccine)
- Day Campers must take a PCR or Rapid test within 48 hrs. of their check in date and present the Negative results on Sunday upon check in
- Day campers who participate in multiple weeks will NOT need to retest unless weeks are not consecutive
- Fully Vaccinated Parents of day campers will be allowed on campus during training hours but are asked to wear masks when around campers.
- Parents who are not Fully Vaccinated will not be allowed on campus and are asked to drop off their child while remaining in their cars.

OUT OF STATE CAMPERS WHO MUST FLY

- We require you have a PCR/RAPID test 48 hrs. prior to flight, and test Negative (To assure you are covid free prior to travels)
- Quarantine for 72 hours after flight and have no covid symptoms during quarantine period
- Camper must take a PCR or Rapid test at the end of 72-hour quarantine

- Out of state campers who fly need to account for at least 72 hours of quarantine time after flight. No Exceptions will be made.

MAINTAINING HEALTHY FACILITIES

Hygiene

- Weil Academy has adequate supplies to support healthy hygiene behaviors, including soap, hand sanitizer (with at least 70 percent alcohol) and paper towels.
- Hand washing stations and touch-less dispensers have been added to our tennis court areas and all commonly used surfaces receive extra scheduled disinfecting.
- Signs have been posted on how to stop the spread of COVID-19, properly wash hands, and promote everyday protective measures.

Cafeteria

- Directional signs in our cafeteria keep campers moving in one direction.
- Self-serve buffets have been eliminated. All food will be served by properly trained staff wearing protective gear.
- All food and beverages are served on disposal plates, cups, and utensils.

Dormitories

- Extracurricular activities will mostly take place on campus, with the exception to Wednesday's beach day until further notice
- Campers will be instructed to avoid sharing electronic devices, books, and games, eating utensils, and drinks
- Day campers will not be allowed in dormitories nor allowed to participate in any extracurricular activities beyond the tennis day to lower risk of introducing COVID within the boarding environment

Employees : All Weil Staff Members are Fully Vaccinated

- Access to campus is limited to required individuals
- Employees are instructed to continue social distancing practices
- All Employees who live off campus are required to wear face masks indoors and in Vans with Campers
- Any employee who has flu-like symptoms or comes in contact with someone who has flu-like symptoms is required to tell their manager and will be asked to stay off campus for a minimum of 10 days
- Employees must practice habitual hand washing and sanitizing advisories and guidelines before and after practice, before and after meals and during any group activities as applicable

Monitoring and Preparing

- We have designated staff members who are responsible for responding to COVID-19 concerns.
- If a staff member or child becomes sick or exhibits any COVID-like symptoms, we will immediately contact Weil Physician Dr. John van Houten to evaluate the camper or staff member and make recommendations on next steps
- We have established a separate Quarantine room to which anyone exhibiting COVID-like symptoms will be taken until Dr van Houten can see them. We have PPE equipment set

aside for those who will be caring for this individual until plans can be made to safely transport anyone sick home or to a healthcare facility.

- Arrangements will be made as quickly as possible for campers who become ill to be safely transported home
- If a camper needs to remain on campus until a parent can pick them up, they will have their own bathroom / shower to use, and we will make certain they receive any meals, fluids and any medications recommended by Dr. van Houten.
- Any areas used by any sick person will be closed off, not entered for 24 hours and disinfected following CDC protocols
