

Weil Tennis Academy Summer Camps in Session! 2022

COVID-19 Health & Safety Protocols

Weil Academy is following CDC Interim Guidance for Camps and CA State Public Health recommendations for keeping our community safe while resuming our summer camps.

Weil will continue to employ all preventative measures to avoid the introduction of Covid-19 within the Weil Community during our Summer Training Camps. We are committed to making our camps a competitive, safe, and fun environment for all our campers to enjoy!

CAMPERS

All campers will be asked to go through a health screening upon check-in. Weil Tennis Academy has the right to restrict attendance of those from high transmission areas or those who it deems may be at high risk of exposure. *Please note that any campers who presents COVID/ Flu like symptoms will be subject to test for COVID at the discretion of Weil Tennis Academy faculty. Feel free to send your child with a home test, to avoid Weil Tennis Academy testing fees (\$50 per test).*

Boarding campers

- All Campers must be fully vaccinated to attend camp (meaning it's been at least 14 days since they received final dose of vaccine)
- Boarding Campers must take a PCR or Rapid test within 48 hrs. of their check in date and present the Negative results on Sunday upon check
- Campers will be instructed and reminded to wash their hands frequently and avoid sharing any personal devices and belongings

Day Campers

- All Campers must be fully vaccinated in order to attend camp (meaning it's been at least 14 days since they received final dose of vaccine)
- Day Campers must take a Home test, PCR, or Rapid test within 48 hrs. of their check in date and present the Negative results on Sunday upon check in
- Day campers who participate in multiple weeks will need to retest after 2 weeks of camp
- Day campers will be required to wash/ Sanitize hands upon arrival to camp each day
- Parents of day campers will be restricted from campus and encouraged to remain in their cars during drop off and pick up to limit direct contact with others

- Day campers will not be allowed to participate in extracurricular activities after the tennis day

OUT OF STATE CAMPERS WHO MUST FLY

- Camper must take a Home Test, PCR, or Rapid test within 48-24 hrs. of checking in.

MAINTAINING HEALTHY FACILITIES

Hygiene

- Weil Academy has adequate supplies to support healthy hygiene behaviors, including soap, hand sanitizer (with at least 70 percent alcohol) and paper towels.
- Hand washing stations and touch-less dispensers have been added to our tennis court areas and all commonly used surfaces receive extra scheduled disinfecting.
- Signs have been posted on how to stop the spread of COVID-19, properly wash hands, and promote everyday protective measures.

Cafeteria

- Directional signs in our cafeteria keep campers moving in one direction.
- Self-serve buffets have been eliminated. All food will be served by properly trained staff wearing protective gear.
- All food and beverages are served on disposal plates, cups, and utensils.

Dormitories

- Campers will be instructed to avoid sharing electronic devices, books, and games
- Day campers/ Visitors will not be allowed in dormitories nor allowed to participate in any extracurricular activities beyond the tennis day

Employees

- Access to campus is limited to required individuals
- All Employees are required to wear face masks while indoors
- Any employee who has flu-like symptoms or comes in contact with someone who has flu-like symptoms is required to tell their manager and will be asked to stay off campus for a minimum of 7-10 days
- Employees must practice habitual hand washing and sanitizing advisories and guidelines before and after practice, before and after meals and during any group activities as applicable

Monitoring and Preparing

- We have designated 3 staff members who are responsible for responding to COVID-19 concerns.

- If a staff member or child becomes sick or exhibits any COVID-like symptoms, we will immediately contact Weil Physician Dr. John Van Houten to evaluate the camper or staff member and make recommendations on next steps
- We have established a separate isolation room to which anyone exhibiting COVID-like symptoms will be taken. We have PPE equipment set aside for those who will be caring for this individual until plans can be made to safely transport anyone sick home or to a healthcare facility.
- Employees will be sent home immediately if they are sick and remain quarantined for 7-10 days and not allowed to return to campus until they have met CDC criteria to discontinue home isolation.
- Arrangement will be made as quickly as possible for campers who become ill to be safely transported home (or to remain in isolation)
- If a camper needs to remain on campus until a parent can pick them up, they will have their own bathroom / shower to use, and we will make certain they receive any meals, fluids and any medications recommended by Dr. Van Houten.
- Any areas used by any sick person will be closed off, not entered for 24 hours and disinfected following CDC protocols
