Friday Camp Check-Out Procedure:
Boarding Campers: If campers are not enrolled in the following camp week, they must check out of the dorms at 4:00 PM and complete checkout in person with Weil Dorm Staff.

Day Campers: All day campers must check out from the courts with their coaches at 4:00 PM.

Level of Players: Weil Camps are designed for players ages 8–18 across a wide range of competitive levels, from advanced beginners to highly ranked national players. Players are grouped on court by age and skill level, with opportunities throughout the week to train and compete with stronger players.

Tennis Training: Weil coaches focus on developing mental toughness, tactical awareness, offensive skills, fitness, injury prevention, and cardio endurance. The player-to-coach ratio is typically 5 to 1 and may be as low as 2 to 1.

Fitness Program: The fitness program includes intense sand and sprint work, medicine ball training, coordination and balance drills, and flexibility exercises designed to improve players' core strength, balance, and explosiveness to the ball. Players also cross-train through activities such as basketball, soccer, water basketball, and volleyball to develop overall athletic ability.

Weil's International Coaching Staff: Weil employs full-time, SafeSport-certified, high-performance coaches from around the world who are based locally year-round. Our coaching staff, representing Brazil, Canada, Colombia, Egypt, England, Portugal, Spain, Venezuela, and the USA, are The Best coaching staff in the world! Click here to view their bios on our website.

World-Class Training Facility: Weil Tennis Academy is a five-acre, world-class training facility that combines its own tennis campus with the amenities of the Ojai Valley Athletic Club (OVAC). The campus features 16 championship tennis courts on site, along with 8 additional hard courts at historic Libbey Park, located one block from Weil. Weil/OVAC also offers two state-of-the-art gyms, a professional lap pool, a large recreational pool, two Jacuzzis, a steam room, an aerobics/yoga studio, a beach volleyball court, and a full-service café for smoothies and snacks.

Weekend Tournament Travel: Weil Tennis Training Camps stand apart because our coaches take eligible campers to Southern California tournaments every weekend during the summer. If your Camper is registered for multiple consecutive camp weeks and would like to participate in a tournament while at Weil, please notify the office at the time of registration so we can enter them to play. To participate in USTA-sanctioned tournaments, your Camper must have a USTA membership, which may be purchased at www.usta.com. Tournament availability and travel may be affected by external factors. *Does not apply for Thanksgiving Camp.

Optional Private Lessons: Private lessons are available with our full-time coaches throughout all 12 weeks of camp. For pricing, please refer to the Private Lesson Fees section at the end of this information sheet. All lessons must be paid in advance.

Dormitory Facilities: Weil has separate girls' and boys' dormitories on campus and accommodates up to 80 boarding campers per week. Campers are supervised at all times. The dorms include coin-operated laundry facilities, internet access, and a comfortable lounge. All campers have at least one roommate, and each room includes beds, dressers, and an individual air-conditioning and heating unit. **Boarding campers may not drive their own cars to camp.**

Boarding Camp Activities: After training each day, counselors organize fun activities for boarding campers, such as ping-pong tournaments, water basketball, soccer, miniature golf, bowling, board game night, movie night, and doubles tournaments.

Dining Hall: The players' dining hall is located on the main floor of the girls' dormitory. Our dining staff prepares meals for campers from Sunday dinner through Friday lunch. Menus are designed to provide nutritious, balanced meals, and a sandwich bar, salad bar, and fruit bar are available at every meal. Fresh fruit is also available for snacks throughout the day. **Please notify the office if your Camper has any special dietary needs or allergies.** Dining service is not available from Friday dinner through Sunday lunch, so campers staying through the weekend or participating in a weekend tournament should plan accordingly.

Emergencies: In the event of an emergency, Weil has an on-call Academy Physician available, and Ojai Valley Community Hospital is within a five-minute drive from campus. Weil staff are prepared to respond as needed, and camper medical forms are kept in the office in case treatment is required.
